

Beech Grove City Schools Use of School Facilities Forms

The School Board believes that the school facilities of this Corporation should be made available for community purposes, provided that such use does not infringe on the original and necessary purpose of the property or interfere with the educational program of the schools and is harmonious with the purposes of this Corporation.

The Board will permit the use of school facilities when such permission has been requested in writing by a responsible organization or group of citizens and has been approved by the Superintendent or his designee.

Groups Eligible to Use School Facilities (7510 F1)

Group A: School Extracurricular & Support Groups

Group B: Student Centered Community Groups

Group C: Not-for-Profit Community Groups

Priority for Use of School Facilities

Group A has priority over all other groups.

Group B has priority over Group C.

Procedures:

When the building principal schedules the use of a school facility for Group A activities, 7510 F2 does not need to be filled out. Group A events are required to be listed on/shared with the corporation master activities calendar.

Each time a Group B or C organization requests the use of a school facility, 7510 F2 Application for Use of Corporation Property must be completed by the organization requesting the facility. Multiple uses of the facility may be included on one form (i.e. Lions Club every first and third Wednesday of the month for no more than twelve months). New applications must be filled out annually. All required documentation **MUST BE** submitted in order for the usage to be considered

Step One: Form 7510 F2 must be filed with the building principal (or in some cases with the Corporation administration office) at least 30 days prior to use of Corporation property.

Step Two: The building principal makes a preliminary determination to approve or deny form 7510 F2. Approve only after (1) Hold Harmless (Form 7510 F3) is attached/signed and (2) the insurance certificate of liability coverage is attached. If the request is denied at this level, the building principal will inform the organization contact person. If the request is approved, it is sent to the Assistant Superintendent/designee.

Step Three: The Assistant Superintendent/designee will review the application and make the final determination.

Step Four: If the application is denied at this level, the Assistant Superintendent/designee will inform the organization contact person.

Please mark whether additional supervision, security, trash removal, set-up or tear-down, officials or athletic trainers are going to be on site or needed for any event. Groups A or B need to include form 7510 F7, "Request for Certified Athletic Training Services".

CAUTION!: No other building personnel are authorized to approve, deny, or process an Application (i.e. the High School Auditorium Director is not authorized to approve use of the High School Auditorium).

Rules for Groups Using School Facilities

Included with the Agreements will be a set of General Rules (7510 F2 P 2). When the high school pool or high school auditorium is used, an additional set of rules will be included (7510 F5 all pages, 7510 F6 all pages).

Supervision of Groups Using School Facilities

A custodian or maintenance staff employee shall be present at all times when a facility is used. The organization shall pay a **personnel fee** to cover the cost of the staff person. The employee shall be present to open, protect school property and close the facility, not required to supervise children or adults unless agreed upon in special circumstances or due to their involvement. The personnel fee may be waived if the employee volunteers their time for an event or activity. All persons covering an event for pay are required to go through the normal hiring and background check procedures for employment at Beech Grove City Schools **PRIOR** to being scheduled to work an event.

A food service worker (in addition to a custodian or maintenance staff employee) shall be present at all times when a kitchen is used (this requirement follows applicable State Law). The organization shall pay a **personnel fee** to cover the cost of the staff person.

A lifeguard (in addition to a custodian or maintenance staff employee) shall be present at all times when the pool is used (this requirement follows applicable State Law). The organization shall pay an **additional personnel fee** to cover the cost of the staff person.

The high school auditorium director/designee (in addition to a custodian or maintenance staff employee) shall be present at all times when the auditorium is used. The organization shall pay an **additional personnel fee** to cover the cost of the staff person.

Insurance

Groups must have and present evidence of adequate liability insurance for bodily injury and property damage coverage in **a minimum amount of \$500,000**. A certificate of insurance must name the Beech Grove School Board as an additional insured. The requesting organization shall protect and hold harmless any member of the Board or any teacher or other employee of the Beech Grove City Schools from loss, injury, or damage to property, provided such member or employee was acting in the discharge of his duties. Form 7510 F3, "Hold Harmless and Indemnity Agreement", must be signed before approval is granted.

Fees

Applicable fees (7510 F4) shall be determined by the Assistant Superintendent and collected prior to final approval.

Example Two: A group wants to use a General Classroom from 9:00 a.m. to 11:00 a.m. and then again from 6:00 p.m. to 8:00 p.m. The facility use fee would be \$20.00 plus any utility fee and any personnel fee.

BEECH GROVE CITY SCHOOLS – USE OF SCHOOL FACILITIES**RULES/REGULATIONS FOR USE OF BEECH GROVE HIGH SCHOOL SWIMMING POOL**

The group contact person is responsible for reviewing these general rules and regulations with the entire group prior to using the high school swimming pool.

1. A certified lifeguard must be present when the pool is in use, more information and the sign-off sheet can be found on the next page.
2. All persons using the swimming pool must take a shower before entering the pool, using warm water to thoroughly soak your bathing suit and hair.
3. All persons having skin disease, sore or inflamed eyes, ear discharge or any communicable disease shall not be permitted to use the pool.
4. Cuts, open blisters or raw skin surfaces are likely to become infected. Persons having such conditions are advised not to use the pool.
5. Spitting, spouting water, blowing of nose, etc., in the pool or on the pool deck are not permitted.
6. Food, gum, and beverages are prohibited.
7. Gym shorts may not be used as swimming shorts.

SAFETY

1. Unnecessary roughness, pushing or running in the pool area is prohibited.
2. No one is allowed to swim in the pool alone. Never enter the pool when it is unguarded.
3. The Pool Director or lifeguard on duty is in complete authority when the pool is open. Violation of his/her instructions shall result in termination of the privilege of pool use.
4. Non-swimmers shall confine their activities in the shallow end west of the lifeline in the pool.

DIVING BOARD

1. Only one person at a time shall be allowed to use the diving board. Double diving will not be permitted.
2. Diving shall be done in a forward direction only. Diving toward the pool sides is prohibited.
3. Divers and swimmers must keep the area around the diving board clear. A diver, however, is required to delay a dive until swimmers are clear of the diving area.
4. Multiple bouncing of the board is dangerous. Take only one bounce.

LOCKER ROOMS

1. Do not leave any valuables in the locker rooms.

MINIMUM SUPERVISION REQUIREMENTS FOR BEECH GROVE HIGH SCHOOL SWIMMING POOL

Swim Classes During the School Day:

Supervision by the teacher (Water Safety Instructor certified), one (1) adult (Lifeguard certified) employed by Beech Grove City Schools and two (2) or more student spotters from class.

Swim Practices and Meets: (Including Elementary Teams and Organized Private Teams)

Supervision by the coach(es). One (1) certified lifeguard on duty, age 16 or older, (who possesses current certificates for the following: 1) current basic life guarding, 2) lifeguard training, 3) Cardiopulmonary resuscitation (adult, child, and infant), and 4) standard first aid course) and an appropriate number of certified instructors for the type of instruction/practice being offered.

Other School Sponsored Swimming Competitions and/or Instruction (Including Elementary):

Supervision by one (1) certified adult lifeguard, age 18 or older, (who possesses current certificates for the following: 1) current basic lifeguarding, 2) lifeguard training, 3) Cardiopulmonary resuscitation (adult, child and infant), and 4) standard first aid course), and one (1) other certified lifeguard per 25 swimmers.

Other Non-School Sponsored Swimming Competitions and/or Instruction:

Supervision by one (1) certified adult lifeguard, age 18 or older, (who possesses current certificates for the following: 1) current basic lifeguarding, 2) lifeguard training, 3) Cardiopulmonary resuscitation (adult, child, and infant), and 4) standard first aid course) and one (1) other certified lifeguard per 25 swimmers.

Non-athletic/Free time or Celebration Swimming Activities: Administration does not recommend the use of the corporation swimming pool for non-athletic groups. Too many requirements are necessary to fully understand the physical ability of the students, their current medical conditions, staff available to supervise and liability insurance carrier concerns.

General Rules

When the swimming pool is not open for use, access to the pool shall be prevented by a fixed barrier with a locked entrance and a sign stating "POOL CLOSED" in clearly legible letters at least four (4) inches high affixed to the entrance enclosure.

When on duty in non-competitive swimming situations, lifeguards shall not perform any duties other than lifeguarding and shall not be in the water except in the line of duty.

Water Safety Instructor and lifeguard certification must come from the Red Cross or the YMCA. Lifeguards must be dressed in swimsuits. Shorts may be worn over swimsuits. Swim shoes may be worn.

During swim classes, if both the required WSI certified teacher and the required lifeguard are not present at any time, the swimmers must get out of the pool.

In non-competitive and non-class situations, if both the required adult certified lifeguard and the required lifeguard(s) are not present at any time, the swimmers must get out of the pool.

REQUEST FOR CERTIFIED ATHLETIC TRAINING SERVICES

This form is a request for a **certified athletic trainer** and additional services for an athletic event. This form should be used 30 days in advance with an approved facility request application. These services may be denied based upon the nature of the event, due to a lack of appropriate connection to the Beech Grove City Schools Athletic Department, or because of staffing issues. The cooperation between Community Health Network and BGCS extends to recognized sporting events in conjunction with BGCS programming and requires the approval and recommendation of either the middle school or high school athletic director as well as the building principal.

This request should also be used for any non-high school event where additional hours are being requested for certified athletic training expectations or requests outside of the high school athletic trainers normal working hours.

Applicant understands an **additional fee and fees for supplies** may be required for certified athletic training services.

Dear Principal,

The Department of Food and Consumer safety would like to take this opportunity to review the regulations and requirements for food service in Marion County. Last year, we received several questions about fundraisers, events and outside entities serving food within the local schools.

The school foodservice program on record is licensed to serve food within the schools. As a courtesy, we have made accommodations for concession stands operated by parents to operate under that licensure. The Health and Hospital Code, Section 8-201 states that a person may not operate a food establishment without a license. Fast food restaurant sales, food vendors at games, student coffee shops, PTO/PTA craft fairs, community dinners and student organizations selling food may need to register as events and be licensed and inspected.

Indiana Code 16-18-2-137 allows an organization that is exempt from taxation under Section 501 of the Internal Revenue Serve Code to be exempt from licensure for food events benefitting the organization. The tax exempt organization would need to present their IRS Letter of Determination to our office. The law only allows for operation of events conducted by the organization to take place for not more than fifteen days in a calendar year.

The organizer of an event where food is sold or given away must register the event with the Department of Food and Consumer Safety at least thirty days before the date of the event. A temporary food establishment license is required for food service vendors operating at events or selling food at the school.

Craft fairs and fundraisers have invited people to sell home prepared foods. 410 IAC 7-24 requires that food must be from an approved source and food prepared in a private home may not be used or offered for human consumption in a retail food establishment. All vendors must be approved and meet the criteria of our food code.

Please ensure that the PTO/PTA's, student organizations and outside food vendors are aware of the requirements when organizing a temporary event offering food. I have included an event organizer registration application for reference.

If you have any questions or if any event organizers need further guidance, please contact me at (317) 221-2256, or you may email me at kwhiting@marionhealth.org.

Sincerely,

Dear Temporary Event Organizer:

Attached is a copy of the Registration Application for organizers of events serving food in Marion County. The ordinance requires an organizer of an event at which temporary food establishments operate to register with the Marion County Public Health Department (MCPHD) at least 30 days prior to the event regardless of whether there is a charge for food. There is no charge for the registration. The event organizer shall submit a site map of the event area detailing vendor locations, toilet and handwashing facilities, drinking water access for food vendors, and trash receptacles for vendors and patrons.

Once you submit your registration application, you will receive a confirmation of registration within five business days. The registration will indicate the number of toilet and handwashing facilities needed for basic sanitation at the event. The registration will note if grease containers and wastewater containers need to be provided for the food vendors. You will need to provide trash boxes throughout the event area and next to the toilet facilities. When ordering portable toilets remember that handwashing facilities separate from the toilets are required. Hand sanitizer is not a substitute for hand washing.

Food vendors are required to obtain a temporary food service license when operating outside their licensed facility. We will only license food vendors that are listed on the registration form submitted by the organizer. The vendors may apply for their licenses Monday through Friday from 8 a.m. to 4:30 p.m., but they must obtain their licenses at least 48 hours before the event begins. There is a fee for the temporary license and a list of guidelines the vendors must follow as part of licensure. Licenses for temporary events must be paid in cash, cashier's check, certified check, or money order only. **Personal or company checks will not be accepted.** Only vendors meeting the definition of a food establishment will be issued a temporary food establishment license. The list of food vendors & site map shall be submitted at a minimum of 10 days prior to the event.

A Certified Food Handler is required for food vendors distributing certain types of foods. Please confirm that the food vendors you invite to participate in your event meet these standards. There are also new licensing guidelines from the City of Indianapolis Special Events. Contact DeAnn Miliken at (317) 327-4849.

It is also the organizer's responsibility to provide access to drinking water from an approved source for the duration of the event. The water access is to be utilized by the food vendors for handwashing, sanitation and general use in the food stand.

This registration allows MCPHD staff to ensure that food vendors are made aware of local health codes prior to the event. It will remain MCPHD's responsibility to ensure that food vendors are properly licensed and that food is served in a safe and sanitary manner.

The registration application can be faxed or emailed to our office. If you have further questions regarding the registration process contact Kelli Whiting, Coordinator of Temporary Events at (317) 221-2256 or visit our website at <http://marionhealth.org>.
